CHAPTER ONE

PART 1: THE SPIRIT OF GOD

“The Spirit gives life to every part of a being”

-Helen Segunfunmi Olajide

The 'Spirit' is an important aspect of life. Who a person is, is determined by the spirit. The spirit is the attitude of a being, and it is the manifestation of the body and mind/soul of a being. In every living creature, there are three necessary aspects. The third part gives life to the other parts. The spirit is the most important aspect.

PART 2: THE ASPECT OF A BEING

1. The Body,
2. The soul/mind, and
3. The spirit. These three aspects are known as Trinity.

THE BODY: The body is the physical aspect that manifests both the soul and spirit. The body represents the Head, who is God the Father. The body is the total being of God.

THE SOUL: The soul is Jesus Christ, the mind of God. The soul is the mind centered in the heart of every living creature. The Bible records Genesis 26:1. ***“Then the Lord said, 'let us make man in our image according to our likeness, let them have dominion over the fish of the sea, over the birds of the air and the cattle, over all the earth and every creeping thing that creeps on the earth'".*** This implies that man was made according to the likeness and image of God and that is why Jesus came to manifest the love of God in the physical [Matthew 22:39]. The mind of God is Jesus Christ and He came to prove God's love towards us.

The mind/soul of God brought forth the beauty of nature and humans. The Bible records in Jeremiah 29:11-13. ***“For I know the plans I have for you are not to harm you, plans to give hope”.*** The plans can only be activated by the mind/soul which is the beauty of God himself because ***“The Lord is good and His mercies endure forever”*** [Psalm 136]. It takes a good soul/heart/mind to manifest good things in the physical. Out of the abundance of the heart of man, he brings forth those thoughts through his actions manifested by the body. The mind is the most important aspect of humans because it activates and deactivates the physical and spiritual aspects of humans.

THE SPIRIT: The Spirit is the active force of God and the third aspect of the Trinity. The spirit is the complete nature of God himself. The spirit is what activates the body and the soul. The spirit of God is like the scepter that brings forth the thoughts to manifest in the body, 'God-head'. The spirit known as the Holy Spirit or Holy Ghost as some say is the one that goes before God the Father and the Son [Body and Soul]. The Bible records in Genesis 1:2, “*Now the earth was formless and empty, darkness was over the surface of the deep and the spirit of God was hovering over the waters*”. The watchword in the above verse is '**THE SPIRIT OF GOD**'. The spirit of God in this context shows the active force of God, the one who makes all things come to light by hovering around. The Bible didn't record that the Father or Son was hovering over the surface of the waters but it declared the Spirit of God. This means that the spirit of God is what goes ahead of the Father [the Body] and Son [the Mind/Soul].

As the Spirit of God goes before the Body and Soul, it then allows the Soul to manifest. The Soul and Spirit are in the Body because the Body is the warehouse of the Soul and Spirit. The Soul manifests through thoughts, which are the beautiful thoughts of God [Jesus Christ]. For the creation of the world to begin, Jesus Christ needs to manifest before the Spirit [the Holy Spirit] to activate the thoughts through the Body [the Father].

The death of Jesus Christ shows that, for the Spirit of God to live in man, the Soul needs to be activated and the body needs to die. The Spirit of God is connected to the hand of God, for everyone who is touched by God is filled with the spirit of God. The book of Revelation 22:1-2 described the tree of life in the paradise of God as the 12 fruits of the Spirit of God. For anyone who eats of the tree of life will live again.

What gives man life is the spirit of God because the man was created with body and soul but to make man live, God put his Spirit through his breath by breathing into the nostrils of Adam and Adam became a living soul. The Spirit of God is what every man needs to have life. The Bible records how God created heaven and the earth by His Spirit. This means that even God needed His Spirit to make Him a total being. The Spirit of God comes with the wind, fire, and thunder and God can come through this force to manifest His Spirit. In my revelation, I saw that before God comes down to have a fellowship with man, His Spirit comes as wind. The Spirit of God in Adam made Adam live in the paradise of God [the Garden of Eden] because the garden was spiritual. Since God is a Spirit, His dwelling place which is the paradise is spiritual, and that is why when Adam and Eve sinned against God, the Spirit left and man wasn't a total being to live in a spiritual world. Therefore, the man was thrown out of the Garden of Eden.

For every man to live in God's kingdom, they must possess God's Spirit. The Bible records the parable of Jesus Christ about the wedding banquet. [Matthew 22:1-14]. In everyone, the spirit is the attitude of a being. The man wearing the filthy rag to a wedding portrays a filthy attitude. He wasn't ready for the wedding. On the last day of everyone, those without the Spirit of God would not enter the Kingdom of God. No one is complete without the Spirit of God. That is why everyone needs the Spirit of God to live in a spiritual realm where God resides.

The Spirit of God has total control over all things including the gifts of God. The Spirit of God comes into a person's life to manifest his gift. The gift of God is without repentance - meaning gifts from God can never be taken back but the manifestation of this gift is what the Spirit of God comes to do. A gift is like a voice; it can only make a loud noise but it has no effect until a person is complete.

CHAPTER TWO

DESTINY AND PURPOSE

Every individual has a destiny, and in that destiny, has purposes and in every purpose comes an assignment. For a person to fulfill an assignment, he needs the fuel to sustain the vehicle that will lead them to the destination of the assignment. The Spirit of God comes to sustain and protect him throughout his life journey to fulfill his destiny.

The Spirit of God consists of the grace and mercy of God. God's grace houses favor, mercy, and protection. For everyone to fulfill his destiny there is a need for the grace and mercy of God.

CHAPTER THREE

THE SPIRIT OF GOD AS A TEACHER

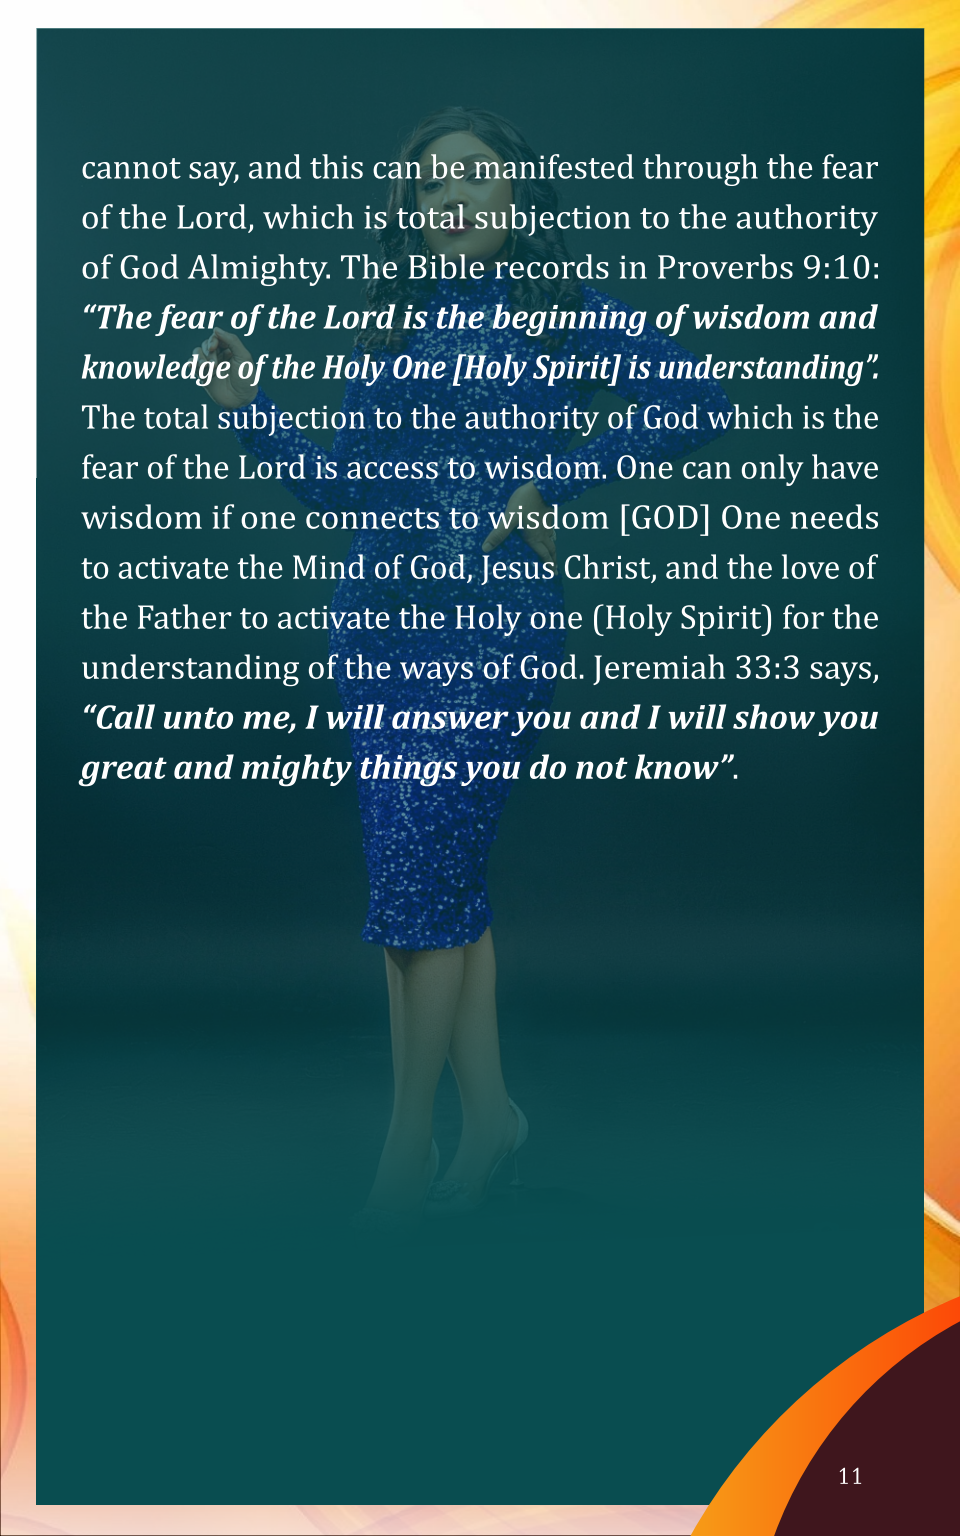

“We cannot live a holy life; a life full of perfection without the Spirit of God”.

-Helen Segunfunmi Olajide

The Bible records in Zachariah 4:6, ***“So he said to me, this is the word of the Lord to Zerubbabel. Not by might nor by power but by the Spirit says the Lord Almighty”.***

Without the Spirit of God, you can never overcome the thirst of the flesh [sin]. Without the Spirit of God, you cannot live a life of direction. The Spirit of God comes with wisdom. The Bible says, *‘wisdom is profitable to direct and in all thy getting, get wisdom.* Wisdom is embedded in the Spirit of God. Isaiah 11:2 says, ***“The Spirit of the Lord will rest on him, the Spirit of wisdom and understanding, the Spirit of counsel and might, the Spirit of the knowledge and fear of the Lord”.***

Without the Spirit of God, you cannot have the understanding to counsel yourself and others. What makes you powerful is your ability to say what others

cannot say, and this can be manifested through the fear of the Lord, which is total subjection to the authority of God Almighty. The Bible records in Proverbs 9:10: ***“The fear of the Lord is the beginning of wisdom and knowledge of the Holy One [Holy Spirit] is understanding”***. The total subjection to the authority of God which is the fear of the Lord is access to wisdom. One can only have wisdom if one connects to wisdom [GOD] One needs to activate the Mind of God, Jesus Christ, and the love of the Father to activate the Holy one (Holy Spirit) for the understanding of the ways of God. Jeremiah 33:3 says, ***“Call unto me, I will answer you and I will show you great and mighty things you do not know”***.

CHAPTER FOUR

MY REVELATION ABOUT THE SPIRIT OF GOD

***"It takes the Spirit of God to carry you on
different in the realm of spirituality to see
great things beyond the Bible".***

-Helen Segunfunmi Olajide

I saw myself in front of a staircase that moves upward to the heavens. I could see to the end of the stairs; God sitting on his throne, a white throne. I saw the Spirit of God in front of the first stair and threw his hand at me, giving me the signal to put my hand on his palm I laid my hands on his palm and he ushered me on the first stair. Each stair has a gift-wrapped and I was to pick it. Each stair has a gift dropped on them and as I was still resting my steps with my hands on his palm. He directed me to take each step and pick a gift.

This revelation signifies that no one can do anything without the help of the Holy Spirit. It takes the grace of the Spirit of God for one to overcome challenges, succeed and fulfill the destiny. The Spirit of God does not go to those who do not wish for Him - that is why God's hand is thrown at you,

to accept His help. For with your power, you cannot do anything but with the Mind of God [Christ Jesus] which activates the Spirit of God, you can do all things for He strengthens you and gives you the power of dominion over all things.

The Spirit of God is your comforter and director. He comforts you when you are sad and confused. He makes your confusion peaceful. Most times, you will be confused about things because the ways of the flesh are unpredictable, but through God, you can do all things.

In every aspect, one needs God and that is why one cannot understand what one can see or encounter. Therefore, one needs the guidance of God through His Spirit to understand a whole lot.

Darkness is a kind of confusion. No one can ever see clearly in darkness and that is the state of confusion. You will surely hit your head against the wall and stumble your foot against the stones; this is why the light comes to illuminate your darkness or the darkest hour of your life. The Spirit of God is the light to your part. You can never get to know your path by your power, you need the Spirit of God to light up your path and destroy confusion.

PRAYER POINTS

- ▶ Father, show me your mercy and grant me your Spirit, for I have relied on my strength and it has failed me.
- ▶ Father, I desire your Spirit upon me, for you declare in your word [Matthew 7:7-8] that 'Ask and it shall be given you, seek and ye shall find. Knock and it shall be opened unto you. For every one that asketh receiveth, and he that seeketh findeth, and to him that knocketh it shall be opened. Give me your Spirit, Lord.
- ▶ Let the Spirit of God manifest in me and activate my destiny and purpose in the name of Jesus Christ.
- ▶ Father, let your Spirit dominate my total being and take away what is not supposed to be in my life in the name of Jesus Christ. AMEN

CHAPTER FIVE

PART 1: HOW TO BUILD A RELATIONSHIP WITH GOD

“A relationship with God is beyond religious activities but a one-on-one bonding with God is what makes you access the promises of God”.

-Helen Segunfunmi Olajide

A relationship with God allows you to know the truth and be set free. Without having a relationship with someone, you cannot know the plans or thoughts of that person towards you. A relationship with God exposes the true intentions of God towards you and when you know those intentions, you will know your place in God. Most times, people do not know how to access a whole lot of things promised by God because they don't know that, no one can get anything from anyone one does not know. Nobody can give you all their assets or properties to handle without knowing you. God needs to trust you and that can be established through a relationship with Him. Through a relationship with God, He gets to know your intentions

and your loyalty towards Him, to let out all His blessings to you.

A relationship with God activates the mind of God – Jeremiah 29:11; ***“For I know the plans I have for you, declares the Lord, are plans to prosper you and not to harm you; plans to give you hope and a future”***. The process of bonding through a relationship gives you the privilege to know the mind of God. The mind of God houses your purpose and the assignments of your destiny. It is not all about, 'I believe in Jesus Christ but do you follow His ways most times? You wear the image of Jesus on your neck as your necklace but the one you are wearing becomes in vain because you don't follow the one behind the image. There is something behind the image of Jesus Christ and that is the mind of God also known as the soul or heart of God. The mind of God came in human flesh to teach you His mind and how you can activate His Spirit (the Holy Spirit). The mind of God is pure and beautiful and full of love and that is why when he came as the body he taught about the first command in Matthew 22:36-40 ***“Teacher, which is the greatest commandment in the law? Jesus replied, Love the Lord with all your heart and with all your soul and with your entire mind. This is the first and greatest commandment. And the second is, to love your neighbor as yourself also. The law and the prophets hang on these two commandments”***.

The above passage explains two aspects of love. For it was because of love, God came on earth to die for the world, to reconcile heaven and earth (spirituality and physicality). For everything to work in the original plans of God for you, to love your neighbor, you must first love God and for you to have a relationship with God, you must first love God. Anyone who does not love God would not find interest in building a relationship with God.

For instance, in the relationship of a man and a woman - a man sees a lady he finds interest in and gets to know little things about her - like her name and where she is from; this is because he wants to know about who interest him or excites him or cause a tingle in his heart. In this aspect, there must be an interest; and a rising of feelings towards that person to motivate you to want to know that person. If you don't find interest in things of God or God Himself, you will never be motivated or passionate about God. Christianity is having the Christ kind of life, not a tradition. The tradition is going to church every Sunday, listening to the man of God, and sometimes jotting down teachings that you will not go back to read (you become a hearer and not a doer). Therefore, it becomes a tradition and not Christianity. If you are a traditionalist, then you only love God with your mouth and not with your ways. The Bible records in John 14:6, ***“Jesus answered, I am the way and the truth and life, no one comes to the Father except***

through me” Christianity is gotten from the word 'Christ' which means: the Christ kind of life, the way of Christ. And because he is the way, if you follow him, you get hold of the truth and when you know the truth, you have everlasting life and never perish.

The truth is what sustains life and anyone who does not know the truth will perish because they do not believe in Jesus Christ, the mind of God. This means you do not believe in God's love and if you don't believe in God's love, then you cannot access the Father and the manifestations of the Father (the Holy Spirit). Most times, you will study all the verses of the bible and have them in your memory but you cannot access the spirituality of the verses in your memory, because you feel the word of God is useless to you. The word of God is light unto your path, it takes a relationship with God to manifest that spirit in you, to light up your path, and that you may see through the darkness.

In a relationship with God, God speaks to you in your language. The way he speaks to me will be different from how he will speak to you. Everyone calls God the way he proves Himself to you or how He appears to you through a relationship. The bible records in Jeremiah 33:3 –

“Call unto me, I will answer you and I will show you great and mighty things that you do not know”. This implies that he will show you a different aspect of him according to your capacity to assimilate what he will show you;

according to your purpose. God shows you what you need in your journey. Revelation is like fuel to your journey and you can receive revelation through constant bonding with Spirit because God is a Spirit. Your constant bonding with the Spirit of God is what builds your spirituality and activates your revelations.

A relationship with God builds the spiritual aspect of you. For one to be spiritually inclined, he must kill himself of the fleshy desires and allow the Spirit of God to penetrate through his soul and mind. A relationship with God takes you higher than the physical realm into the spiritual realm – which is above principalities and power, and the urge of the flesh. Your real deliverance and sustenance of testimony come from a relationship with God; your protection and your life come from a relationship with God and that is why without God, you will be toiled by the devil and be destroyed by the people he uses. The devil uses people because he is a spirit. If the devil attacks you in the spiritual realm and you win, he will come in the physical realm using humans and contend with you, and that is why you always need the Spirit of God to overcome because the Bible says in Zechariah 4:6 – ***“So he said to me, this is the word of the Lord to Zerubbabel, Not by might not by power but by my spirit, says the Lord Almighty”.***

PART 2:

THE PROCESS OF BUILDING A RELATIONSHIP WITH GOD

The steps to building a relationship with God are;

1. DESIRE: The first step is your desire to know God. Your desires become your goals and your goals become your passion and your passion for God is what builds a relationship. God is looking for those who are passionate about him and that alone is the activation of oneness between God and man. The Lord searches the heart of men and that is why no one can deceive him. He knows when you are deceiving him. He knows when you are truly ready to give up or sacrifice all for him. No one loves it when a person can't approve of his/her love with a sacrifice because love is sacrifice. You must desire to know more than what you know - your love for God activates that desires for him. A desire that consists of urge and desperation for who you love. Love is the starting point to your desire to know someone better; it is a feeling that moves the actions to find out about a person because you don't want to have a relationship with someone you don't know. You get to know someone to trust your heart in the hands of that person, without the fear of your heart being destroyed or broken.

You also get to know a person to know his weak points; how to make him happy; and what to do to please him. You cannot please someone you don't know anything about. If you know things about God, you can please Him; if you know things about God, you can make him grant your heart's desires.

A relationship is on benefits and a relationship with God is like a symbolized relationship - each party gets to benefit from the other. Most people don't know the truth about how to activate their miracle - BE A FRIEND OF GOD. You cannot be afraid of God when you don't know Him. You become God's people when you know Him and follow His ways and commandments. The commandments of God are codes and conduct, and laws on how to be in a relationship with God. Anyone who obeys God's laws has shown that he is ready to do anything out of love for God; he believes in His rules. God wants people who can believe in Him, it takes a true believer to follow His laws and commandments. If you believe in someone you will follow the pattern of that person and follow the rules guiding that person, to keep being friends with him.

2. DETERMINATION: The determination to know God. One must be determined in his heart to follow God. Following God can only be achievable through determination. The sins of flesh can be so tempting, but you can overcome the

first stage of sin through 'self-determination' ('Heaven helps those who help themselves'). Determination overcomes sin; helps you to have a strong desire to please God and to have a relationship with God. It's not going to be easy and that's why determination comes in. You need to have a curious mind about the totality of God; the supremacy of God; and the level you want to attain in God. God loves it when people desire to know Him - not just to know Him but to submit to Him for revelations. But it takes a relationship with God for you to know things about God. God does not want betrayals; he wants people he can trust with great and mighty things. Not unlike the betrayal of the devil - the devil knew a lot about God and that is why he could create a counterfeit. Out of trust for the devil, there was a rebellion against God. This is one of the gains a friendship with God gives – trust. Because when God becomes your friend, he cannot help but tell you a whole lot of things about Himself and he is careful about who can handle it. Those who pay the price to know God, value every bit of revelations and visions God gives them and they value God Himself. What you don't pay for, you can never value. When you pay the price for a thing, you value it because you know what you had to give up for that thing. Every valuable thing comes with a price, and nothing good comes easy. To be a friend of God, one has to pay a price. God is the Holy of holies and before he can be your friend, you must be qualified

in your heart. You might not be qualified in your physical status but the status of your heart qualifies you in God. It becomes like land or street glazed with Gold.

PART 3

HOW TO KNOW GOD THROUGH THE BIBLE

The word of God (the Bible) is the pound amentia level or aspect of knowing God. The Bible is written by those who knew God and for you to know what they know; before God reveals himself directly to you, you need the Bible to be your guide. The Bible is a trundle of guidelines and the Bible is very spiritual. God is spirit and you must lay hands on anything that can give your insight into spirituality. The word of God is the tangible thing we have to know about God. It leads us to the next phase of knowing more and deeper things called God's Revelations. The Bible is the first stage of knowing God through those that encountered him. A person who wants to know God must start from the bottom which is the beginning of creation. How God created the universe and man. You get to dive into the awesome wonders of God. Knowing God through the word of God (the Bible) is different from opening a portion of the Bible to get encouragement to ease your

depression. It is different from getting a portion that erases fear from you. Maybe you wake up from a bad nightmare or you are the kind that does not sleep alone or feel scared whenever you are left alone, all by yourself in a house, so you tend to use a word from the Bible to take away fear -I tell you the truth, you will continue to look for ease to your pain, like a painkiller that lessens the pain in the body but does not eradicate the pain. You get solutions to every pain and that does not mean that pain will not rise again. Affliction arises the second time because we do not uproot the problem from the root but pamper the problem. The benefits of knowing God give you wisdom about the truth that you might not perish but have everlasting life. Knowing God allows the Holy Spirit to put the word inside of you - you become the word and out of you will flow the river of life. Becoming the word uproots every problem or stubborn situation in your life. There is power in the Holy Bible. The Bible records that Jesus Christ was the Word of God and the Word became flesh and through the word, all things were made possible. John 1:14; ***“The word became flesh and made his dwelling among us, we have seen his glory, the glory of the only glory who came from the father, full of grace and truth”***. John 1:3; ***“Through him, God made all things”***, not one thing in all creation was made without him.

PART 4

FASTING AND PRAYER

Fasting and prayers are two vital characteristics of bonding and communicating with God. This is where the main activation of God comes. The activation of God is the presence of God, and the presence of God is the manifestation of God, and the manifestation of God is the Holy Spirit.

Fasting shouldn't be held because you want something from God but because you want to bond with God. The bonding with God is what activates the manifestation of God. For anyone to bond with God with a clean and pure heart one needs what is known as 'commitment fasting'. This builds commitment between the body and spirit. This commitment is what brings about possible actions known as '*manifestation*'. The Spirit of God seeks to manifest his commitments towards you and you in turn show your commitments. Bonding activates a whole lot of experiences called revelations, visions, and love, which in turn activates all promises of God - protection, sustenance, provisions, etc. As a person, when your spiritual bond with God, you also feel committed to him. You can't be without speaking to him; being in his

presence giving him all the worship; when it's time to pray you are always at alert because the Spirit of God wakes you up. He alerts you, showcasing signs of commitment to you. Once you are boosting your part of the deal by not relenting in your daily activities of communicating and bonding with God through fasting, he began to manifest in you. Your commitment to the spirit of God is what builds God's commitment to you. It is your choice to make but remember that your commitment to God determines the next phase of your relationship with God.

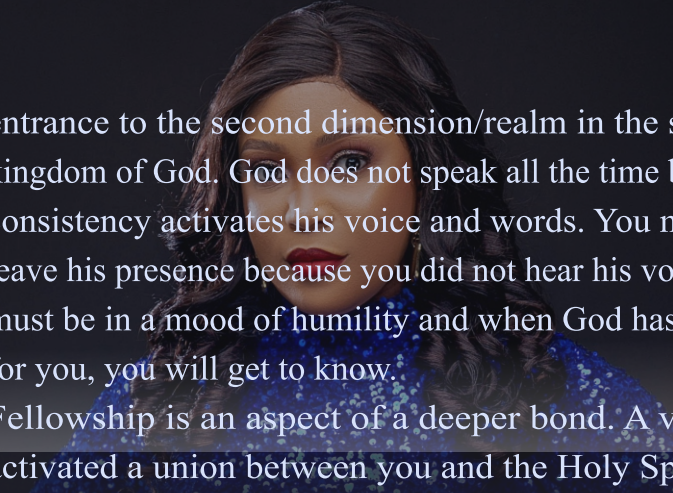

There are Three Facets to Bond with God

•Relationship •Fellowship •Partnership

Your full commitment to a **relationship** would determine if you will move to the next phase in the God-called **Fellowship**. Every relationship wish to achieve a purpose called forwardness. In the physical relationship you have with someone, you wished to move to the next level called marriage and that is how it is in God. Fellowship with God is like a marriage.

The Bible records in 2 Corinthians 13:14; ***"May the grace of the Lord Jesus Christ, and the love of God and the fellowship of the Holy Spirit, be with you all"***.

- This Bible chapter is widely used by Christians as a closing prayer. In a marriage, there is something known as benefits. There is a closeness between you and the Spirit of God in a fellowship. Fellowship is the second

entrance to the second dimension/realm in the spirit or kingdom of God. God does not speak all the time but your consistency activates his voice and words. You must not leave his presence because you did not hear his voice, you must be in a mood of humility and when God has a word for you, you will get to know.

Fellowship is an aspect of a deeper bond. A vow has activated a union between you and the Holy Spirit and instructions and directions are given. In the place of fellowship, you ask God anything and get a quick answer or reply. Fellowship is a house that contains man and the Spirit – just like a man and a woman in a house living together, wherever the man is, he is not far from home because he has a home in this heart. A man and a woman who lives together share a connection. They are no longer two but one.

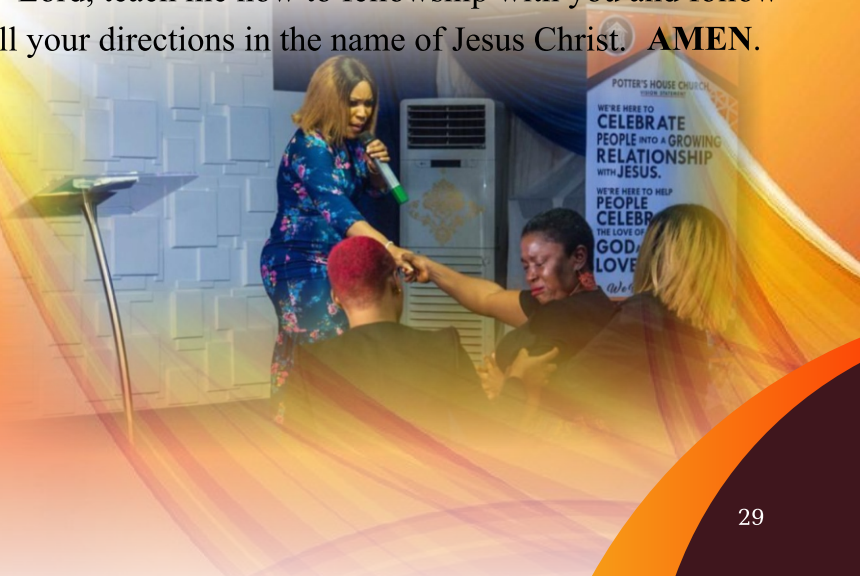

In **partnership**, there is togetherness and joint decision-making. Just like in marriage, the man does not make any decision without his woman; also the woman cannot decide without consulting the man. In partnership with God, the body needs to agree with the Spirit of God to do anything. The Spirit of God will not do anything without consulting the body; likewise, the body will not do anything without consulting the Spirit of God. There must be an agreement between the body and the Spirit in every decision. A man has what is known as the power of choice and the man

represents the body. The spirit of God will not want to do anything, in a man's body without seeking permission. Through an idea, the spirit of God tells a man what he needs to do to manifest Him (Spirit of God). Every manifestation of the Spirit of God comes with direction from the voice of God to man. He follows the voice and activates this voice in his heart, through his voice with the Spirit of God, the permission to do what he wants or manifests. When the Spirit of God wants to manifest in another kind of dimension, He tells man what to do through the heart of man, and man then decides to do it or not. If a man does not do it then the Spirit of God cannot do anything. This implies that no one can decide without an agreement; else the contract of partnership becomes void.

There are realms you need to enter that come with direction from the secret place. There must be an agreement; and before man does anything, he asks the Spirit of God. Without the Spirit of God, man cannot manifest. And the Spirit of God also needs a man to manifest - this happens through '**relationship**'.

PRAYER POINTS

- Dear Lord, I have come to know of the truth for you are TRUTH, let your name be exalted for bringing me out of the darkness in the name of Jesus Christ.
- Father, give me direction to activate realms in the name of Jesus Christ.
- Oh lord, let your mercy guide me on how to have a relationship with you that will lead to fellowship in the name of Jesus Christ.
- I activate my ears to hear the voice of God when he speaks in the name of Jesus Christ.
- Lord, teach me how to fellowship with you and follow all your directions in the name of Jesus Christ. **AMEN.**

THE OVERVIEW OF OUR SPIRITUAL MODULES

The school of the spiritual is founded by Prophetess Helen SegunfunmiOlajide, through the leading of the Spirit of God. The school is rooted in the spiritual aspect of life, which is the vital and most important aspect of life. The school is a sponsored 2-months mentor ship program. There is an online school for people around the globe and Offline School.

The lists of classes are

- i. Spiritual Group
- ii. Training Single Mindsets
- iii. Building Strong Marriage

Interested students are to choose the spiritual group (compulsory) and any other class.

SPIRITUAL GROUP

The spiritual group is based on building a relationship with God. This is for those who do not know how to build a relationship. The essence of this group is to equip students with the ability to understand who God is and His ways. Knowing God comes through a spiritual encounter called a relationship, and the essence of Christianity is for man to communicate with God. The covenant of the body and

spirit established what is known as a relationship, fellowship, and partnership with God. The grace through the blood of Jesus activated mercy for the enablement of a relationship between God and man. The spiritual group runs classes for those who want to know to build a relationship with God, activate their spiritual life, and activate purpose and their destiny to live a fulfilled life.

TRAINING OF SINGLES MINDSETS

This is the second group mainly for the singles. This class teaches and rehabilitates the mindsets of many singles. Many marriages crumble and go through divorce because before most people go into marriage without rehabilitating their minds. Many singles tend to go into marriage with selfish mindsets and that is why this class is basically to set the minds of singles aspiring for marriage in the right direction.

BUILDING OF STRONG MARRIAGE

This group is divided into two: For men and for women who are married. It is a separate group for married people. The essence of this group is to teach couples the essence of spiritual and physical facets of life in building a strong marriage. Most couples dwell on only physical and that is why most marriages fail. The result of a satisfying marriage is to balancing and applying both physical and spiritual guidelines - this enhances the growth of the marriage.

EPILOGUE

God loves us - that is why He is always with us. He has spoken to us on how to know Him and love Him. He has shown us how we should be following Him; how to activate our miracles by being in a relationship with Him. God through the Holy Spirit interprets how followership and partnership with Him are essentially in our struggles to be devoted to Him and to be Christians (Christ-Like).

Let us in devotion to the Trinity understand our purposes and continue to fellowship with God and listen to His teachings and commands.

Activating your miracles is a personal decision. You can only activate your miracle when you agree with the Spirit of God.
